## Qualifications:

- Creative leadership & Directing.
- Supervising full production with a 150+ crew covering 5 time zones.
- In-depth working experience with all relevant departments:  
Producers - Animators (2D/3D) - Editors - Art Directors - Episode Directors - Voice Recording -  
Composers - Sound Team - Line Producers - Postproduction - Grading.

## I also bring:

- The undying love of visual storytelling.
- The undying ambition for constant creative and professional growth.
- The undying joy of the crazy, collective team effort that is called *Animation*.

## Notable recommendations:

Among others, I have worked closely with LA-based Kevin and Dan Hageman;

Emmy Winners, Writers and Executive Producers on *Troll Hunters* (with Guillermo del Toro).

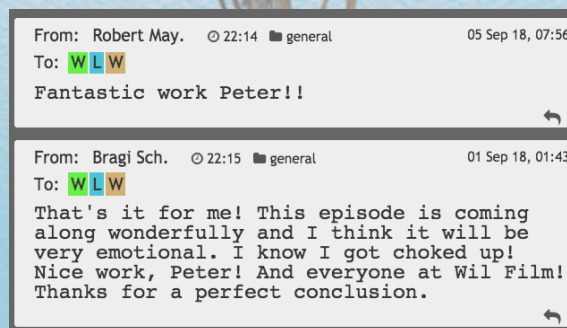

Longest-time Writers and Show Runners on *Ninjago*.

Nice one from Dan: "You are a true talent who understands the balance of action/humor/heart."

And here's from Kevin: "Peter would be an amazing asset, and a great and talented man to consider."

Here we are, in a Vancouver bar evaluating my storyboard, in between a voice-recording and the airport.

Other quotes from a busy pipeline.

## A few practical notes:

- I am Copenhagen based but can travel and move with short notice.
- I speak, write and joke fluently in English, and I am well acquainted with both German and French.

Best regards,  
Peter J. Hausner
